

STEPHEN JOEL

BRAND & CREATIVE STRATEGIST

Stephenjoel213@gmail.com | [Portfolio](#) | [LinkedIn](#) | Lagos, Nigeria

PROFILE

Brand & Creative Strategist with 8+ years in writing and 6+ years in social media, specializing in strategy, creative direction, copywriting, and organic audience growth. Builds distinct brand voices and content systems that turn overlooked accounts and communities into large, highly engaged audiences, without paid advertising. Proven track record scaling personal brands and online communities from a few hundred to hundreds of thousands of engaged members through disciplined, data-informed storytelling.

CORE SKILLS

Strategy & Positioning: Brand strategy, audience psychology, content strategy, competitive positioning

Creative Direction: Campaign concepting, content formats, brand voice development, community engagement design

Writing & Copywriting: Storytelling, ghostwriting, ad copy, scriptwriting, thread writing, proofreading

Social Media Management: Organic growth, community management, analytics-driven optimization, platform strategy (X, Facebook)

PROFESSIONAL EXPERIENCE

Brand & Social Media Strategist | Tolulope Michael

Jan 2024 – Present

- Grew a personal thought-leadership account from 657 to 40,000+ followers over two years through fully organic, manual growth strategy, with no paid advertising.
- Increased monthly impressions from roughly 200 to over 38 million by diversifying content across cybersecurity insight, career advice, motivational posts, and narrative storytelling.
- Grew average post engagement more than 20x through daily content testing, audience-behavior analysis, and iterative refinement of tone and format.
- Produced multiple viral posts (300K–1.3M+ views each) using psychologically-informed storytelling techniques.

Writer & Creative Director | Yorochitv (Facebook Community)

2020 – 2023

- Scaled a Facebook entertainment community from 27,000 to over 500,000 members in three years through daily original storytelling and community-driven content.
- Grew average post engagement from roughly 500 to 10,000+ reactions and comments per post by introducing fictional narratives, mini contests, and trend-responsive content.
- Directed content strategy and brand voice across a high-frequency publishing schedule (4–7 posts daily), maintaining consistency across a large volunteer content team.
- Built and ran interactive community campaigns (contests, pageants, challenges) that strengthened member retention and brand identity.

Brand Strategist & Copywriter | Happivibes

Feb 2025 – Apr 2026

- Grew a hybrid entertainment-and-commerce Facebook community from 153,000 to over 300,000 members in one year.
- Grew engagement from roughly 300 to 5,000+ interactions per post by developing advert-style narrative content that blended brand promotion with entertainment.
- Wrote and directed branded storytelling campaigns for a calling-service business, driving measurable increases in service patronage without the content feeling like traditional advertising.
- Balanced promotional goals with community trust, consistently producing content that audiences engaged with and shared organically.

Copywriter | 1XBET Nigeria

Nov 2023

- Wrote 10 original advert-style story campaigns promoting a betting platform, resulting in 500+ new user sign-ups directly attributable to the campaign.

EDUCATION

Computer Science | National Open University, Lagos, Nigeria | 2023 – Present
